Due to a record number of state teams nominated for the annual Barastoc Interstate Competition at Warwick and the inclusion of the Carroll Truck Sales International Test Series between Australia and South Africa, our Club finds it necessary to commence the games on Thursday 20<sup>th</sup> April. The Barastoc this year has 22 teams nominated.

Commencing at 3p.m., 2 Barastoc games will be played as curtain raisers to the first night International Tests – commencing at 6p.m. under lights. Teams involved in these games will be notified in the next two weeks.

Friday will commence at 7a.m. with the QPA sponsored Official Breakfast Meet & Greet for Barastoc Interstate players and the International Teams followed by a 10a.m. start for Barastoc games. Friday evening will be the second of the series of Test matches for both the mens and womens teams.

The Shell Cup Club competition will commence at 7.30a.m. on Saturday morning with Saturday being a day of Club and Interstate games. Saturday night starting at 6p.m. will be the 2 Final Test Matches between our own Australian Teams and the visiting South Africans. This should be a great spectacle under lights. The official presentation will follow immediately on completion of these games.

Sunday will be a day of semi-finals and finals for the Shell Cup and Barastoc Interstate.

A big few days and nights of International, State & Club POLOCROSSE !!!

A Barastoc Interstate Newsletter will follow at a later date.
