

MIXED30 COMPETITION @ VICTORIAN STATE
CHAMPIONSHIPS 2019.

*****Extra Information*****

Corio Polocrosse Club intends to include the “Mixed30” Competition in this year’s Victorian State Championships.

The competition will follow the usual format of 3 women, 3 men.

The points will be capped at 30. This is because this competition is not designed to detract from or offer another option to the A Grade. The A Grade is still the pinnacle of Victorian Polocrosse and will be treated as such.

Doubling up or borrowing from another grade is not allowed.

The Mixed30 will be treated the same as the other grades, & the same prizes will be on offer; Runners Up, Winners, Best #1, 2 & 3 & Best Horse & Rider.

This is a great opportunity for clubs with a large contingent of mid-graded players. It is also a great opportunity for women, as there is very little on offer in Victoria in the way of ladies polocrosse (with the exception of the Trafalgar Ladies Competition).

If anyone has any questions, please direct to coriopolox@hotmail.com, contact Amy Hart 0418 261 202 or Boyd Falconer 0418 527 001, or alternatively get in touch via the Victorian State Champs event page on Facebook.
